

CHECKLIST

ARTIST

MAKE SURE

THAT YOU HAVE

- a **contract** that describes the safety arrangements in connection with your performance
- **insurance** that matches your responsibility
- facts about **what your performance requires**, for example demands to rigging or mattresses
- **approved equipment** that complies with the standards at the workplace
- applied for a **health insurance card** (Sundhedskort)

MAKE SURE

THAT YOU

- check your equipment **every day**
- know who is **responsible for safety** – at the circus and as part of your troupe, if applicable
- have **checked the rigging/set-up** with the people responsible for safety and talked about requirements and what can go wrong
- always **take part in the suspension/erection** of your equipment – and know who is responsible for what (circus: suspension points and equipment - artist: lines and gear)
- talk to the person in charge of safety or management **if anything changes** if you don't feel safe, are sick, under the 'influence of medication, alcohol or lack of sleep
