CHECKLIST

## CIRCUS

## THAT YOUR ARTISTS HAVE

- a contract that describes the safety arrangements and who is responsible for safety
- **insurance** that matches the safety responsibility
- applied for a health insurance card
- information about demands to set-up/rigging
- approved equipment and that it matches the fixtures used for the suspension of the artists' equipment

## THAT YOU

- have appointed a safety manager
  who should also check the artists' equipment
- can communicate make sure that people with the required language skills are available, if necessary
- connect all people with responsibility for safety
   make sure that you inspect the rigging/set-up and talk about what can go wrong
- make quite clear that it is okay to talk about problems
   explain that people don't get dismissed for that
- ask the artists if they are feeling okay
   show that you want to know if everything is okay

Recommend the artists to contact **MENTOR-FORSIKRING** unless they are already insured.

Inform the artists where they can buy new equipment if needed.
